Streetlink

If you are concerned about someone over the age of 18 that you have seen sleeping rough in England or Wales, you can use this website to send an alert to StreetLink. The details you provide are sent to the local authority or outreach service for the area in which you have seen the person, to help them find the individual and connect them to support. It is important to note that if you think the person you are concerned about is under 18 please do not contact StreetLink but instead call the police. You can also make a self-referral if you are currently sleeping rough.
